

Sustainability Luncheon

DRG Action Teams Update and What's All the Excitement about Downtown Dayton!

Wed Nov 16, 2016
11:30am - 1:00pm
Top of the Market
32 Webster Street
Dayton, OH 45402

Downtown Dayton is a city of originals! It has also been going through a transformation in the past few years. Join us as **Downtown Dayton Partnership** update us on all the new initiatives taking place to transform its greater downtown into a thriving city and unique, vibrant place.

During this luncheon 3 DRG Action teams will update us on their progress, and on the Sustainability Grant funding they have received through the Bring Your Green Challenge. We will also announce the collective impact of the BYG Challenge. Real exciting results!

DRG is pleased to welcome the **US Green Building Council SW Ohio Region** as a Sustainability Luncheon host partner! This partnership will provide access to additional educational content and membership in a robust sustainability-focused organization.
1 GBCI /AIA Learning Unit -pending-

IGS Energy will give an update on the DRG commercial and residential green offers.
